

# SPR18GL

## Perforated grill door for 18HE SPR rack cabinet

### Highlights:

- Mesh perforation with hexagonal pattern
- Swing handle with cylinder lock
- Installable on front and rear

The SPR18GL is a perforated steel grill door, which replaces the standard included tempered glass door for SPR series 19" rack cabinets with a height of 18 U. The mesh perforation with hexagonal pattern provides an optimal air flow through the cabinet. The swing handle with cylinder lock safely locks the equipment inside.

### Product Features:
