

PSR519F

19" power distribution - 9x French sockets -
Light/USB/Fuse/surge/Display

The PSR519 series includes a switchable LED rack light, two front USB jacks and a 16 Amps circuit breaker on the front panel of the unit. Power surge & spike protection is offered by the internal protector network, while a voltage and current indicator allow continuous voltage and power consumption monitoring. Power distribution for up to nine devices is made possible using the rear output sockets.
